Directories

Leicester University has placed a large number of historical directories on-line.

The collection was moved in 2014 to a "Special Collections" website which seems to be less intuitive to use and may take more effort to get used to.

It can also be busy and hence 'sticky' to use whilst one waits. There are 12

directories covering Cumberland, (one including Westmoreland and Furness)
a further 10 for Westmoreland.

The most useful are the ones shown below, but **be aware that the page-numbering on the websites are not the same as those of the printed volumes and each differs.**

[Cumberland, Westmoreland & Furness, 1829 Parson & White,](#)

[Cumberland, 1847 Mannix & Whelan,](#)

Index page 4 ff: Webpages are 7 more than print pages

[Cumberland, Bulmer, 1901](#)

Index page 3 ff: Webpages are 4 more than print pages

[Westmoreland and parts of Furness, 1851 Mannex & Co,](#)
